

Educational
Center for the
Visually Impaired

SUPPORT

Daily Living Skills

ECVI helps train students to handle daily living skills, such as white cane training, computer support and mobile device advice, among others. We even teach fun hobbies, like fishing, when the weather is nice!

Donate today and you can:

- ✓ Provide personalized education and training for people who struggle to see the world they live in.
- ✓ Sponsor one person for \$225.
- ✓ Add programs to new locations in Decatur and Lincoln.
- ✓ Increase availability at Springfield center.
