

Educational
Center for the
Visually Impaired

SUPPORT

Health & Wellness

ECVI's Health & Wellness program was created to help individuals who are visually impaired with health, wellness, budgeting, living skills and more. The program features weekly speakers and valuable information.

Donate today and you can:

- ✓ Provide personalized education and training for people who struggle to see the world they live in.
- ✓ Sponsor one person for \$405.
- ✓ Add programs to new locations in Decatur and Lincoln.
- ✓ Increase availability at Springfield center.
